Northern Ireland: Success 😊 - and a new Campaign!

Diana Johnson's radical Abortion Ten Minute Rule Bill **failed** to pass at second. **Well done to everyone** who lobbied MPs by letter, email and social media!

BUT! The House of Commons Women and Equalities Committee has launched an "enquiry" into Abortion Law in Northern Ireland. **Please respond to this by 10 December** – takes 30 seconds using this link: <https://righttolife.org.uk/inquiry-submit/> (BTW I recommend you say **"Yes"** in this link to join RTL's mailing list, they produce excellent material)

FEAST DAY – Our Lady of Guadalupe – 12 December:

Next Wednesday, 12 December is the Feast Day of Our Lady of Guadalupe, the Patroness of the Pro-Life movement.

If you're at Mass maybe you could ask the congregation to pray this lovely prayer? If you're not at Mass say it yourself or with family to ask Our Lady's help and protection in our work

*Oh Mary, Mother of Jesus and Mother of Life,
We honour you as Our Lady of Guadalupe.
Thank you for pointing us to Jesus your Son,
The only Saviour and hope of the world.
Renew our hope in him,
That we all may have the courage to say Yes to life,
And to defend those children in danger of abortion.
Give us your compassion
To reach out to those tempted to abort,
And to those suffering from a past abortion.
Lead us to the day when abortion
Will be a sad, past chapter in our history.
Keep us close to Jesus, the Life of the World,
Who is Lord forever and ever. Amen.*
