## LENT - already!

In 2019, there will be **TWO** Lenten prayer vigils in our Archdiocese. These peaceful vigils allow us to be 'good samaritans' praying and offering help to unborn children and their mothers. **Over 3,000 UK Mothers have kept their babies because of this work** & there are countless others that we do not get to know about. These events are supported by the Archdiocese of St Andrews and Edinburgh

### VIGIL 1: Edinburgh

**Hours:** 11 am to 12 noon – Every Day

**Venue:** 'Choices' clinic, 2a Chalmers Street, Edinburgh EH3 9ES

**Contact:** Patricia MacLennan:

### VIGIL 2: Larbert

**Hours:** 8 am to 8pm – Every Day

**Venue:** Forth Valley Royal Hospital, Stirling Road Larbert, Scotland FK5, UK

**Contact:** Anne Price:

Both vigils run from **Ash Wednesday, 6<sup>th</sup> March** until **Palm Sunday, 14<sup>th</sup> April**

**NEXT STEPS:** Find your closest vigil, then contact the [Larbert](#) or [Edinburgh](#) organisers, above. Or just turn up! You can come for any length of time. This is a great way to include unborn children & their mothers in our Lenten preparations

### THANK YOU!

Our Holy Innocents Mass on 28 December was RECORD BREAKING – our highest ever attendance! St Margaret's Chapel at Gillis was standing room only & Archbishop Cushley remarked on how encouraging it was to see so many turning out to support pro-life.
